

At Camp Tawingo we have fun building GREAT kids!

How would you like to help us maintain our site and facility so that we can continue to *safely* build great kids!

Camp Tawingo believes that if parents see a site and buildings that are clean, well-maintained, and fully functional they will think, "This place cares about its buildings and its grounds...they will care about my kid, too."

Tawingo is looking for someone to be part of our Property Maintenance Dept. to help with the care and maintenance of its 270 acre site which includes 50 buildings, and a variety of vehicles and equipment. The successful candidate would benefit from having basic skills in many of the trades, a working knowledge of property maintenance, and the ability to prioritize jobs and address emergency issues - all for the sake of the children in our care. Our Site and Facility Staff need to be positive, upbeat, organized, and willing to roll up their sleeves.

Job Types: Full-time, Temporary (start date - May 2 - October 31)

Salary: \$23.00-\$25.00 per hour

Benefits: medical and dental

COVID-19 considerations:

The entire Tawingo community - staff and campers - are expected to be fully vaccinated.
