FREQUENTLY ASKED QUESTIONS

How do I send a Bunk Note (email) to my camper?

Once you have registered, you can simply sign in and click on the 'Bunk Notes' button. Enter your camper's name, select the correct cabin, type your message, and hit the "Send" button.

Can I expect a reply?

This is a one-way service only. Campers do not have access to computers. Any reply from your camper will come by way of regular mail.

How do I know my camper's cabin number?

You will learn your camper's cabin number on the first day of a Camp Session or in the first contact from Camp. If you need help at any time, just get in touch with us at Camp. If all else fails, we will assign the cabin number at this end.

Why do I have to pay to send Bunk Notes (one-way email)?

Each morning, the Bunk Notes system bundles and sorts the hundreds of messages for us to print out and distribute to campers. It also protects us from computer viruses and allows us

to easily manage these emails. Your payment helps us cover the cost of the system, paper, ink, and labor and, more importantly, frees us to do what we do best – be with your child! A basic 'Bunk Note' costs \$1 and may be purchased in packs of various sizes.

A portion of every purchase goes to support Camp Tawingo's overseas partner camp, Camp Sizanani. For more information on this program, check their site at www.GlobalCampsAfrica.org.

Can other relatives use these services?

Certainly. Once you have set up your account, you will be able to invite other people to access these services. *Please use discretion when sharing the registration code.*

What do I do if I have lost my username and password?

You can get them online by going to www.Bunk1.com and clicking on the link "Lost Your Password?" (left side of the page below the sign in button). You will receive an e-mail with your username and password within a few minutes.
