A decrease in your contracted numbers (to a maximum of 10%) is permitted without penalty. Further drops in numbers are subject to charge at full rate. A final post-visit invoice or refund is issued, if necessary, to reflect the actual number of paying guests that arrive and may include any additional damages or charges. Billing calculations begin with the first food service provided by Camp or the first night's accommodation (whichever comes first) and conclude with final meal provided by Camp or after the last night (whichever comes last).
